

The Security Agents Institute of Western Australia

'The Professionals in Crime Prevention'

16th Annual CORPORATE GOLF TOURNAMENT

Friday, 20th September 2013, Collier Park Golf Club Como

The Annual SAIWA Corporate Golf Day is an inexpensive but effective way for your business to:

- Build relationships with potential clients
- Thank your existing clients for their valued custom
- And reinforce your relationships with existing clients whilst distinguishing your company from your competition.

Golf is Australia's most popular corporate sport, and few other sports can lure senior executives from their heavy workloads and other commitments.

As they say... A Bad Day on the Green is Better than a Good Day in the Office. Good game or bad, there are few nicer ways to spend time.

Start this day arriving at Collier Park Golf Course for lunch and a drink or two before taking your golf cart and playing 18 holes of Golf with three of your chosen Associates, Clients or Mates.

TOYOTA

Camry Hybrid: Will be on display at the Collier Golf Course

The nation's favourite mid-sized sedan (winner of *Australia's Best Cars 2012*) now offers a more powerful, economic and safer drive.

Made in Australia and scoring top marks for safety and emissions, the Camry H combines remarkable fuel efficiency with the power to get the job done. Plus it boasts an extraordinarily comfortable interior for both driver and passenger alike, making this a car people want to ride in.

All this is backed by Toyota's legendary reliability. Big Rock Toyota will be proudly displaying a Camry Hybrid on the day.
